

Tina Amend, of Banfield Pet Hospital, announces a special holiday appeal.

If you are a customer or client of **Banfield Pet Hospital in Springdale at the Petsmart Store**, and would like a **FREE nail trimming** for your dog or cat, now is the time.

All you need to do is donate a bag of pet food to the hospital. The hospital will deliver the food to **Wesley Community Services** for distribution to **Meals-On-Wheels** clients who normally cannot afford food for their pet.

If you would like more information about this special holiday appeal, please call the Banfield Pet Hospital at 513.671.6580.
