

Students from Charles W. Springmyer Elementary School provide Christmas Gifts to Meals-On-Wheels clients

Meals-On-Wheels recipients from Wesley Community Services were overjoyed to receive hand painted mugs filled with hot chocolate mixes, candy canes, and Christmas stories created by children from Charles W. Springmyer Elementary School.

Charles W. Springmyer Elementary School, Oak Hills School District, services grades K-5 and is among the few public elementary schools in Ohio to receive a distinguished Great Schools rating of 8 out of 10.

The entire Wesley Community Services family gives many thanks to the thoughtful school children and their teachers: Mrs. Diane Criswell, Mrs. Liz Dooley, and Mrs. Mary Ernst.
