Well known Cincinnati physician donates vehicle to Wesley Community Services

It's true, when you donate a used vehicle to Wesley Community Services to be used as transportation to physician, dentist and hospital appointments, or for MR/DD clients to get to work, you may qualify for a tax-deduction at the vehicle's fair market value.

Recently, long time Cincinnati residents Dr. and Mrs. William J. Gerhardt donated a well maintained 1993 Eagle Vision to Wesley Community Services and they are so glad they did. Bill and Ruth agreed, "We knew we had a gem on our hands with plenty of quality miles left, so we decided to donate it to Wesley Community Services to help the many seniors in their care."

For more information about the Wesley Community Services vehicle donation program contact Bill Reusing, Director of Development, at (513) 389-3096, or email breusing@wesleycs.org before you sell. For information on IRS guidelines and regulations just visit www.IRS.gov.
