### **Wesley Senior Housing, LLC Buys Apartment Building For Senior Housing**

Wesley Senior Housing, LLC, a wholly owned entity of Wesley Community Services, has recently been formed to enter the senior housing market. “Safe, clean and secure housing for seniors is a high priority need”, said Dan Heyd, President of Wesley Community Services. “We have decided to see if we can be of assistance to seniors in need of housing”, Heyd said.

Wesley has just purchased a 9 unit apartment building in Cincinnati on the westside that will be a seniors-only building. This building is in good condition. “One of the existing tenants receives Meals-On-Wheels from Wesley Community Services right now”, said Stephen Smookler, Administrator for Wesley Senior Housing, LLC and Executive Director of Wesley Community Services. “We look forward to seeing if we can make a difference to the seniors living right now in the apartment building”, he said.

Wesley Community Services has as its mission to provide services to seniors so that they may remain in their homes for as long as possible. Wesley Community Services provides Meals-On-Wheels, medical transportation and homemaker/housecleaning services to seniors throughout the Cincinnati area. In 2006 nearly 200,000 Meals-On-Wheels were delivered, over 20,000 medical transports were completed and over 15,000 hours of homemaker services were provided to over 1,700 area seniors. Wesley Community Services is a contracting agency of the Council on Aging of Southwestern Ohio and is a partner agency of United Way of Greater Cincinnati.
