## **O' What A Meal We Enjoyed!**

**Wesley Community Services Meals-On-Wheels personnel and volunteers prepared and delivered 887 festive meals to Greater Cincinnati seniors this St. Patrick's Day.**

**"May the blessings of St. Patrick behold you" said Stacey Lewis, Meals-On-Wheels Food Services Manager, who along with personnel and volunteers prepared a delicious holiday dinner of all-time-favorite corned beef and kraut, Irish green mashed potatoes, buttered green beans, and tasty shamrock cookies.**

**The Board of Trustees for Wesley Community Services extends to all Meals-On-Wheels clients "Sláinte chugat" or "Good health to you" during this special holiday season.**
