

The Reverend Dr. L.H. Mayfield, Trustee Emeritus of Wesley Services Organization Board of Trustees celebrates his 96th birthday on December 19th, 2006.

The Reverend Dr. Mayfield served for many years on the WSO Board of Trustees as trustee and also as President. Dr. Mayfield is a member of Hyde Park Community United Methodist Church and was the founder and first director of the pastoral care program at Christ Hospital. Even at age 95, L. H., as he is known to many, plays golf weekly, weather permitting. He is sharp-witted and quick to tell a memorable story. We all wish you many years more L.H.
