

WesleyLinks - Save-the-Date

Save the Date for next WesleyLinks Meeting - June 2nd

The next pizza luncheon of WesleyLinks will be at Noon, Wednesday, June 2nd, at Hyde Park Community United Methodist Church, 1345 Grace Avenue, at the Welcome Center.

Our guest speaker will be Gene Bishop from Pro Seniors who will present "Senior Fraud -How to Protect Yourself." Pro Seniors was founded more than thirty years ago to enhance the independence and quality of life of older adults. Among its services are free legal advice to seniors and advocacy for residents of long-term care. Ohio SMP (Senior Medicare Project) educates health-care beneficiaries how to stay safe from Medicare fraud and identity theft. This project is volunteer driven and covers all of Ohio.

Jane Winkler, Resource Development Manager at Pro Seniors, said, "Discovering Gene Bishop in Clermont County was a very lucky break. Not only has he been active in educating the public about Medicare fraud and identity theft, he's also been very helpful in getting us situated in Clermont County. "Gene is extremely on the go and has received several awards. Among athletic activities, he has served as President of Southern Ohio Umpires

Association, has umpired high school baseball for 40 + years and is a martial arts instructor. Under Gene's mentoring, ten at risk students graduated from high school. He also served as President of Miami Township Citizens Police Academy Alumni Association. Past awards include United Way's Volunteer of the Year in 2004 and winner of Clermont 20/20's Salute to Leaders.

Come join the fun on June 2nd at Hyde Park Community United Methodist Church and bring a friend! RSVP Carol Davis at 661-2777 extension 5402, or email cdavis@wesleycs.org.

Eastside residents interested in carpooling can meet at the Anderson Hills UMC, 7515 Forest Road at 11:30 am.
