Happy Autumn to you all and we hope this newsletter finds you healthy and festively preparing for the Thanksgiving holiday.

We are changing the format slightly for our newsletters. You will be receiving a short newsletter and/or a Newsbite on a monthly basis. Newsbites are tidbits of information from periodicals we receive in the office or other senior-related sources that were typically sent with the quarterly newsletter that we felt may be beneficial to you and senior members of your congregation.

Please feel free to call me or Bill if you have any questions or **would like us to come to your church** and speak about the WesleyLinks program. **We would be happy to set up a meeting with your church members or speak during your regular Sunday service time(s).** Please contact us at 661-2777.

Amy & Bill

Please feel free to post this newsletter at your church to spread the word about WesleyLinks!

Those of you who attended the November network meeting at Shiloh UMC received a copy of the Goals and Objectives I have been working on for the WesleyLinks program. I will be talking more about those in a future newsletter and at the next WesleyLinks meeting. I will be asking for feedback and suggestions from all of you at that time.

Our next meeting will be in the **Erie Building of Hyde Park United Methodist Church on Wednesday, February 6, 2008 at 12:00 noon.** The address is **3020 Erie Avenue, Room 105.**

Instead of our usual pizza lunch, we will be feasting on our meals on wheels lunches prepared by our kitchen staff. After the meeting we will tour the kitchen so you can have the opportunity to view the state-of-the-art facility in which we prepare all of our meals.

If there are Westsiders who would like to carpool to the meeting, please meet at the Wesley Community Services offices at 3333 Glenmore Avenue by 11:15 a.m.

Winter holidays are fast approaching and with them come many opportunities for giving of your time and talents. Wesley Community Services would like to invite you to experience a unique volunteer opportunity. You are welcome to come and ride along with a Meals-On-Wheels driver and assist with delivering meals to the clients. Please call me, Amy Kemp, the Social Work intern, to set up a day and time.

For an extended volunteer opportunity, please consider our **Just Friends** program which matches a volunteer with a senior for social visits. We do have seniors on a waiting list at this time that need matched with volunteers. Please call Carol Davis if you are interested, at 661-2777.

Volunteers can make a difference in the lives of seniors!
